Haute couture

Haute couture is a term used to describe the highest quality of fashion design and production. It is a French term that translates to 'high sewing' or 'high fashion' in English. Haute couture garments are made to order, using the finest materials and the most skilled craftsmanship. They are often handmade and are considered works of art. Haute couture is a luxury industry that is highly regulated and is subject to strict standards of quality and production. It is a term that is used to describe the highest quality of fashion design and production.
