Since love grows within you, so beauty grows. For love is the beauty of the soul Beauty awakens the soul to act.

D.No.13803

Beauty is in the heart of the beholder. Beauty is a manifestation of secret natural laws, which otherwise would have been hidden from us forever...

The beauty of a woman is not in a facial mode but the true beauty in a woman is reflected in her soul. It is the caring that she lovingly gives the passion that she shows. The beauty of a woman grows with the passing years.
