

The Pride of the World

Little girls around the world cut out her pictures from newspapers, magazines, posters, and pin them on their walls, dreaming one day to be as graceful as Bhanu, as radiant as the stars in their eyes, and their dream of becoming her someday. International Charm

She is Indian in looks, in
spirit, as her ancestors in dress,
but her beauty is as big a force
around as it is at home. In the
ranks of London, in the waters
of Venice, in the sands of the
Middle East, is the beauty of
Patti... her... in
remembered with fondness
and with glow.
