*A classic never
goes out of style*

Bauty is what you make of yourself not how old,
how you dress, how much makeup you wear,
it's how you present yourself.

People are like diamonds - often hidden. They sparkle and shine when the sun is out,
but when the darkness sets in, their true beauty is revealed only if there is a
light from within. Expressions themselves, true beauty that looks over time, and a
little with our collections that make life more fun.
