

the way she *Wears*

There is a beauty about a woman
whose confidence comes
from experience.
who knows she can face,
pick herself up & move on.

Beauty is when you can appreciate yourself. When you love yourself, that's when you're most beautiful.

I appreciate simplicity, true beauty that lasts over time, and a little with and eclecticism that make life more fun.

The beauty of a woman must be seen
from in her eyes, because that
is the door way to her heart,
the place where love resides
