

yourself through fashion

If you look back in history of the women who are most memorable and most stylish, they were never the followers of fashion. They were the ones who were unique in their style, breakers of the rules. They were authentic, genuine, original. They were not following the trends

The most stunning

My fashion philosophy is, if you're not covered in dog hair, your life is empty.

Beauty, by way
of fashion, has to
do with confi-
dence, with flat-
tering silhouettes,
with patterns,
with proper fit
for body type,
and with an
abundance of
self-love!

That is the key of
this collection,
being yourself. Don't
be into trends. Don't
make fashion own
you, but you decide
what you are, what
you want to express
by the way you
dress and the way to
live.

Elegance is usually confused with superficiality, fashion, lack of depth. This is a serious mistake: human beings need to have elegance in their actions and in their posture because this word is synonymous with good taste, amiability, equilibrium and harmony.

Fashion is not something that exists in dresses only. Fashion is in the sky, in the street, fashion has to do with ideas, the way we live, what is happening.

comfort with a soft ballet flat.

*Yes,
I've
always
been
fashion
conscious*

I have always loved fashion because it's a great way to express your mood. And I'm definitely a shoe lover. The right pair of shoes can change the feel of an outfit, and even change how a woman feels about herself. A woman can wear confidence on her feet with a high stiletto, or slip into weekend comfort with a soft ballet flat.

*I love fashion, and I
love changing my
style, my hair, my
makeup, and every-
thing I've done in
the past has made
me what I am now.*

*Not everyone is
going to like what I
do, but I look back
at everything, and it
makes me smile.*

The best fashion
advice I'd say would
be just to do what
makes you comfort-
able and what
makes you feel cute,
and that's how
you're gonna look
your best 'cause
when you feel your
best, everybody else
can feel it, too.
